

# ATTENTION GASTROENTEROLOGISTS

Are you having trouble getting your patients in for their outpatient  
colonoscopy or endoscopy?

Is it because they don't have a ride there, or more importantly, a ride home?

**1st Choice Ambulette**  
is now offering  
**"MediCar" Livery Transportation!**

We've added a fleet of smooth riding patient friendly sedans. Because these cars are licensed as "Medicars" it means our drivers are **trained**, and **insured** to help your patients "door THROUGH door." From inside the home to inside the doctor's office.

*We are licensed, insured and authorized to sign in for AND sign out your patients!*

We accept Medicaid, MLTCs, MCO's, HMOS and other sources of payment for this service.

PLEASE CALL US FOR ALL THE DETAILS.

**516-674-2300**
